

10/5/2012

The image shows two rectangular, metallic-looking devices with rounded corners. One device is in the foreground, partially open, revealing a dark interior and a small circular component on the inside of the lid. The other device is behind it, also partially open. A semi-transparent grey bar with a black section on the left is overlaid across the middle of the image, containing the text 'SPANG' and 'SYSTEM ARCHITECTURE'.

SPANG

SYSTEM ARCHITECTURE
